Douay-Rheims Bible (Black Genuine Leather): Standard Print Size

Synopsis

The Douay-Rheims Version of the Holy Bible, translated between the years 1582 and 1610 and revised by Bishop Richard Challoner from 1749-1752, is the most accurate English translation of the Bible available today. It was the only Catholic translation of Scripture commonly in use for over 200 years and we maintain that it is still the best and safest version of the Bible in English. Translated with profound respect for every word, the beautiful style of the Douay-Rheims Bible will instill in the reader a deeper understanding of the Word of God. Annotations, references and an historical and chronological index make it convenient for study as well as meditation. Our Douay Rheims Bible is the only edition available with the words of Christ in red! Includes updated full color New Testament maps, and beautiful pictures depicting the life of Christ. Complete with Family record and Presentation pages. This beautiful Bible is available in a black genuine leather cover, with gold edges and a ribbon marker.

Customer Reviews

I was torn between two Catholic Bibles, but thankfully I made the right decision with this absolutely beautiful Douay-Rheims Bible. It has been awhile since I attended Mass, and so I wanted to go back--back to my roots, so to speak. I highly recommend this particular Bible, especially the durable leather bound. If you are going to pay so much for a Bible in the first place, you may as well get the best.

Beautifully written and legit. I ordered this after reading New American Standard after realizing it

was missing entire bible versus which made me a tad furious.

Nice quality, handy size, has some useful notes and beautiful artwork in the back. No reason not to buy this Bible, a valuable asset to be be hi-lighted, underscored, and written in. Use it daily, you won't regret it!

Awesome Seller of Awesome Products !!!!! All 5 Star Rating ***** !!!!! Most Accurate Bible !!! Ever !!!!

I ordered this as a gift for an RCIA candidate who expressed interest. I own the bound version of this. All the Bibles from this brand are terrific; I own several in different translations. They are very legible with great type. The pages are fine, but not transparent enough to have bleed-through. This paperback appears to be well constructed. One of the problems with Catholic Bibles is that there isn't the same level of competition as Protestant Bibles, so the prices in general are somewhat higher. I was a Presbyterian Bible lover for decades, and I've found this brand to be the equal of Kirkbride--and that's saying a lot. I think they are better constructed and assembled certainly than Nelson or Zondervan. I love referring back to the Douay-Rheims for its poetic content. Every Catholic enjoying Bible study should have one.

It is new, thank you. It was a bit slower arriving than expected, but I am in Alaska. I am enjoying the study.

This version is the poorest quality Kindle book I have seen. It is difficult to open, if it opens at all. One cannot go to particular verses easily, as one can with many other Bibles. I would not recommend under any circumstances unless it is extensively reprogrammed. The programmers might want to start from scratch and get it right the next time.

This is a beautiful Bible: easy-to-read and understand. I am a student of Catholicism and needed a good Bible to study from. If you buy this Bible, you will not be disappointed.
