Barbie: VISUAL GUIDE TO THE ULTIMATE FASHION DOLL

Synopsis

The ultimate dream book about the ultimate dream doll. Trace the history of Barbie from her beginning in 1959 through her meteoric rise in popularity during the "60s" to her place on the world stage as a jet-setting multicultural fashion icon. Beautifully illustrated, this book follows Barbie through five decades of changing styles. Special sections take a close look at Barbie's friends, as well as her many accessories and how they changed to reflect the times. Specially-commissioned set designs are stunningly photographed and offer a wide variety of detailed scenes of Barbie's fun-loving world. From the Swinging Sixties through the disco years and into the next millennium, Barbie epitomizes style and glamour.

Nice addition for my collection!

K-12 girls all love looking at it (and so do the little ones's moms when they take it home).

just as I espended

It's so useless for identifying barbies that I let my toddler play with it. There are some pretty pictures but nothing is in order or identified very clearly.

My daughter loved this book! It's a great keepsake/treasure for any age! The pictures are nice and vibrant and it will have parents reminiscing as well!

Exceeded our expectation. Thank You.

Great and fast seller, excellent item, well packed, thanks!

This book is worth so much to me I had it when I was little I loved it.I am so happy I found it here.
