Customer Reviews

Samantha Miller had no control over the horrifying, abusive situations she endured during childhood. Her life was taken into the hands of mental and physical abusers at an innocent young age, when forced into prostitution. As she grew older in bitterness, resentment and hatred, her only

defense was a plea for revenge as the curse she lived with followed her on a road to danger, violence and seduction. Then tragedy hit her like a tornado, and she becomes challenged to make crucial decisions that will change her life forever. Will Samantha have the strength to bury the past and move forward, or will the tormenting scars continue to haunt her? Bestselling author, Ben Burgess Jr., delivers a Masterpiece of urban fiction, in a powerfully moving story that grabs your attention immediately and keeps it until the end. The author has a gift not only in creativity, but also the ability to tug at the reader's heartstrings. Inspired by his daughter, combined with his expertise as a N.Y.P.D. Detective, Ben Burgess Jr. highlights that no matter what life throws at us, there's always light at the end of the tunnel. That shining light will give hope and faith to help us not only believe in ourselves, but also believe in others. In conclusion, the Beatles reached out to millions of fans with their famous song that rocked America and hit home for everyone who listened carefully to the words that still live on, 'ALL YOU NEED IS LOVE.' When there's love, there's hope, which will lead to eternal peace and tranquility, portrayed by the author throughout this emotional story. "WOUNDED" is as heartfelt as Tyler Perry's DIARY OF A MAD BLACK WOMAN, as entertaining as I CAN DO BAD THINGS ALL BY MYSELF, and is as exquisitely crafted as Steven Spielberg's, THE COLOR PURPLE. Highly recommended to all readers who enjoy Urban Fiction, African American Fiction, and Lesbian Fiction!

guess you will have to read the book to find out. Ben Burgess did a wonderful job of not only creating an easy to read novel, but also bringing deep emotions throughout the read. This book is true to life, and it will make you cry, laugh and hope desperately for a happy ending.

“Wounded” is tragic, ridged, raw, overwhelmingly emotional and profoundly written. This book will captivate you from the very first chapter. It will lead you into a world of pain, abuse, love and in the end recognize strength along with the ability to overcome life’s trial and tribulations. Samantha “Sam” is portrayed as a calculating, manipulative, damaged and victimized individual who disregards the feelings of others only to satisfy her own needs as well as quiet her anger. The novel unveils the emotional effects of pain, love, betrayal, loss and the accountability of a person’s actions. How these actions can tear down walls and rebuild them with the recognition of their faults, requesting forgiveness and overall change. Its heart wrenching and will bring you to tears. All of us, regardless of the community/lifestyle we live can relate to one or more aspects of this character as well as the character Sasha. As the reader I recognize their vulnerabilities. At times unpredictable, this book broke my heart but renewed my thoughts on faith, life and love. Thank you Ben for a truly realistic hard-edged novel.

Where do I start? This was another awesome read by Ben Burgess Jr. He has done it once again. This book Wounded was phenomenal. It was about a women name Sam who never heals from her trouble childhood. She had been through so much that she ran away from foster homes and had to make it on her own. Being that she never healed from her past affected her relationships. Why was it hard for Sam to be in a committed relationship? Did she really know who she was? This book will have you emotional; you can just feel what the characters were going through No matter who you love, love is love. It also shows how people feel when they been rejected by whom they love the most. yes it had it had me in tears!!!! lol Would I recommend this book? Yes Would I read more of this author work? Yes Sistah on Lit!
