The French Encounter: Christian Historical (Window To The Heart Saga Book 2)

Synopsis

Surrender to destiny: a window to the heart opens, when one door closes. While fleeing from danger and searching for her long-lost brother, Lady Margaret encounters new love. Despite her past, can Lady Margaret discover hope for the future? Deeply passionate and intensely gripping, *The French Encounter* weighs the struggle between giving in to temptation and sacrificing for refuge. *The French Encounter* (Book 2). Ruined by a night she will never forget, Lady Margaret, Countess of Renwick, must flee from England with her infant son to hide from the man who destroyed her life and from the sister-in-law who hates her. Relentlessly, the duke and viscountess hunt for them, planning to take the child to whom they both feel entitled. Margaret turns to God, believing he will protect her family and help her find her long-lost twin brother, Randall. While searching for Randall in France, Margaret is pursued by two enticing men: Pierre, the alluring Vidame of Demoulin, and Michel, the powerful Marquis de Badour. One man promises passion while the other offers security. Will Margaret surrender the chance for love to secure her safety? *Window to the Heart Saga*: a recountal of the epic journey of Lady Margaret, a young English noblewoman, who through many trials, obstacles, and tragedies, discovers her own inner strength, the sustaining force of faith in God, and the power of family and friends. In this three-part series, experience new places and cultures as the heroine travels from England to France and completes her adventures in America. The series has compelling themes of love, loss, faith and hope with a exceptionally gratifying conclusion. FYI: though a clean read, there are sensitive topics discussed and events which occur in this book. For details regarding the content, please feel free to contact the author. *Window to the Heart Saga* Book 1: *The English Proposal* Book 2: *The French Encounter* Book 3: *The American Conquest* Releasing in May-June-July 2017

Customer Reviews

This story has plenty of action - fist fights, sword fights, a kidnapping - and is also generously sprinkled with romance as Margaret swoons in the arms of more handsome men. For the fashionistas, there are lots of vivid descriptions of Margaret's beautiful society gowns. Like in the first book in the series, young protagonist Margaret is again torn between two wealthy suitors, and again I am left without my "happily-ever-after" as it seems that evil might win again. Once more, Margaret is faced with betrayal, death and despair. There is a thread of hope at the end of this book, however, as Margaret and her new family plan their future together, and there is a subtle but clear Christian message. Eagerly awaiting Book 3.

Jenna Brandt is, in my estimation, the most gifted author of Christian historical fictions in this generation! The love ties written about uphold Christian values thus making this and the previous book, read a tour de force. I hope mothers read these novels with their daughters to instill the need and blessings when we adhere to God given moral choices. To this end the author has shown us what happens when one does not know God and the difficulties that ensue when one does. That heroine Lady Margarete becomes an unsuspecting pawn in Duke of Witherton's scheme to hurt her beloved husband Henry, the Viscount Rolantray made The English Proposal a compelling, true to its time period read in which these stories are told. In The French Encounter, Lady Margarete's situation becomes more compelling when she discovers her abuser has tracked her down! With an infant son now a pawn for Duke of Witherton to finally trap Lady Margarete, we discover that this woman who would do nothing to clear herself of wrong charges spread through gossip, in The French Encounter, we discover a woman determined to move heaven and earth to protect her child! Many have no idea of

the debauchery, and maybe surprised to discover that a woman having thought to be of little worth -- though titled -- must fight her thoughts, the lies told about her while fighting for a life filled with Christian values including the right to put our Lord first in all she does. If you want an uplifting, true to the time period work filled with God's grace, mercy, compassion and love, I highly recommend this and any of the other books by talented author, Jenna Brandt! Paula Rose Michelson writes Inspirational Christian Romance, Psychological Suspense Thrillers, Nonfiction, Self-help, and works to encourage. Her Kindle eBooks & Paperbacks are available on .

I have loved this series! The French Encounter continued to grab my attention and hold me captive until I had read the whole thing in one sitting. There are unusual twists and turns that actually caused me to gasp out loud more than once. Ms. Brandt is an excellent new authoress on the scene and I'm excited for the next installment in this series...I already have it pre-ordered!

The French Encounter definitely captured my undivided attention, I did not want to put it down. Like Jenna's first book, it had a lot of twists and turns I did not expect, which made it an exciting read. I loved how this book showed how much Margaret's faith in God grew after all she'd been through after the loss of her father and husband. Even after moving to France, she still trusted God to help her find her brother, and lead her to a man after God's own heart. It was beautiful to see how she began relying on God to get her through new difficult situations, knowing He was right there with her all the time through each and every circumstance. I loved watching Margaret's faith in God grow in this second book of the series, and would highly recommend it. I'm looking forward to reading the author's book #3 of this series!!!

I'm not generally a historical fiction reader, but this series just draws you in. The story follows Margaret to France where she finds new men who want to court her. There is much sadness in Margaret's life and it seems like she has forgotten God through much of the book, but she rediscovers him in the end and finds hope. Jenna does a great job with detail and you feel like you know the characters and the places well. I'm excited to see where her journey takes her.

The second book in this series was even more fast-paced and suspenseful than the first. The plot seems quite unrealistic, but it still makes good reading, although many scenes are predictable. Some of the idioms are not likely to be found in speech of this time period, such as "on the same page." All in all, however, the author weaves a story that the reader feels compelled to follow into

the third sequel!

I really love the attention to detail and the storyline, as well as the characters. You really have to not enjoy these kind of time period books to have negative things to say! Hat's off Jenna Brandt! I can't wait to finish the 3rd book, The American Conquest (Window to the Heart Saga #3)

Running to France to save her son from the atrocities of her past & to find her brother Lady Margaret holds a protective hold over her family, finding a new life and husband to protect them, but her past is too much....
