Customer Reviews

I bought 6 books from this collection for my 3 yr old son. He likes books in general but I enjoyed option of Russian and English. Now his grandparents read to him in Russian and my older niece in English. Paper quality is good, pictures and colors are bright. Books are thin (I bought paper copy) - which is positive and negative: easy to carry anywhere you go but at the same time I feel they would wear out quickly. Also feel that price of almost \$10 per book is high Overall great product!

Great book and a story. Very well-written version in both languages. Proper translation and dialect.
