Beautiful, gut-wrenching, heart-rending, terrifying, joyful, sorrowful, heart-pounding, grief-stricken...so many emotions go into this artfully woven story!! The love shared between Gemma and Evan is so powerful that not even death can stop it. Simon and Gwen have sworn to stay by Gemma's side to protect her and the baby from further attacks by subterranean forces but they can't protect Gemma from her own grief. Gemma is losing herself to her emotions and her loss of Evan, she keeps having nightmares of Evan locked in torment, tortured by a woman who keeps trying to lure Gemma to them. She soon discovers that Evan is truly being tortured in Hell, that she herself is a Witch, but more importantly that Evan is alive, and that gives her a renewed sense of hope and determination. She will stop at nothing to save Evan. Even if that means going directly to Hell and giving herself to the Witches and setting Evan free. Gwen warns her that giving herself over to the Evil of the witches will make her lose her humanity, but Gemma is sure that her love for Evan will help her keep her hold on herself. After all, love is the most powerful force in existence

and it is what allowed Gwen to regain her humanity! So she sets out, and has some unlikely allies along the way. This was an incredible book and I cannot wait for the 4th book, EXPIATION coming in 2017!!

I knew before this book was even released that I would love and hate this book in different measures. How to describe this installment in the series is beyond me. I truly love when an author can take you to love and hating a book within a matter of moments. That's what Elisa does in Brokenhearted. Gemma's distraught over Evan's demise is one thing, but no one even considers the remote possibility that there is more to it. OMG, is all I have to say. This book is not for the faint of heart. Gemma's hellish encounters are what nightmares are made of. My love for this series is beyond measure.

I would highly recommend this book to anyone. I am so emotionally touched by Gemma and Evan's love story. While this is my least favorite book in the series, it was still so worth reading. I can't wait for more of their story! Thanks so much for the wonderful world you've created Elisa S. Amore! Few series and very few authors capture and keep my attention the way you have. You are trustworthy great writer. More than that, you are an amazing creator of a world worth escaping to.

From the very first book in this saga I have been hooked. I can barely set them aside when I read them and look forward to every chapter in every book. I love that this story of Evan and Gemma is one of true, soul bonding and heart wrenching love. Not the kind you see everywhere today that's fickle at best. It has struggles and obstacles but bottom line is love rules. Totally recommend this series!!

What a wonderful story Elisa! This a a book of never ending love, adventure, suspense and passion! Way better than Cinderella! Ready to find out what happens to Evan and Gamma next! Will their love endure all the evil? I can't wait to find out!

I fell in love with this series before finishing the first book. Mrs. Amore has such a way with words, the characters come to life and find their way into your heart. The ending of the second book, "Unfaithful", absolutely broke my heart and Oh. My. God. the tears I cried were uncontrollable. I anxiously waited for " Brokenhearted" to be released hoping Gemma and Evan would find their way back to each other. It's a MUST READ! You won't be disappointed. The worst part? Waiting for the

next installment to be released.

Feeling heartbroken just as the title. This book gave me joy and sadness from the start to finish. I was along side gemma from the beginning crying and in despair. But then I knew from the start what she was becoming and the book got even better. Then Evan came back. I loved this book as much as book 1.

Everything is so gut-wrenching. So excited with everything that happened. This book was truly thought out to a tee. Everything is getting so exciting and things you don't expect to happen happened. I'm so excited to see the ending. Well I have already read it too. Loved the whole series. This is my new favorite.
