Customer Reviews

This is a fun book for those who are alone and get bored easily. It is very inexpensive to play a game of cards and helps pass the time in a productive way. The book is very easy to read and understand and has some illustrations or pictures in them to help the reader learn a new way to play Solitaire.

Pretty easy to use and follow the directions. Provides lots of entertainment for those who love Solitaire. We will keep this for a long time.

Learning new ways to play Solitaire was a boon with this book. My only criticism is that I wish there were more illustrations. Some of the games didn't have illustrations to guide you, which made them difficult to try out. But the book is very handy and helpful.

Probably the best selection of solitaire card games that I've seen. Many good games. Definitely a game for everyone. Rich

Excellent time killer, very fun. I've gotten other games that didn't work very well on my device but no problems at all with this one.

Just a plethora of choices. A lot of old favorites along with a lot of new and unusual games to choose from
