Customer Reviews

"A great way to prepare children for the pleasure of a museum visit or a concert." --This text refers to an out of print or unavailable edition of this title.

Mike Venezia is the author of several nonfiction books for children. --This text refers to an out of print or unavailable edition of this title.

This series of books by Mike Venezia makes composers readily accessible to children and young adults. I use these to assist with my music appreciation curriculum in a middle school. They give just enough information to pique a child's interest, yet leave room for additional discovery.

This series of musician biographies is wonderful - funny, charming illustrations, and with worthwhile knowledge to boot! My kids love them. I only wish there were a few more!
