Assassin's Creed Unity: Abstergo Entertainment: Employee Handbook

Synopsis

A thrilling, in-world overview of Abstergo Industries, the mysterious organization at the center of the Assassin's Creed® franchise. Agent: At Abstergo Entertainment, history is an experience. Our work not only enriches lives, it brings out truths that time has forgotten. But as many of our analysts have learned, testing these experiences is not easy. These files represent the work of the first analyst to take on the case of Subject 44412 • Arno Dorian. Living through the bloodiest days of the French Revolution, Dorian's life certainly took many dark turns, but those memories and choices are his own. Up until now, Dorian has proven to be one of the biggest challenges for our research team. We believe that there is valuable information to be gleaned from this subject, and our hope is that you will succeed where others have failed. Familiarize yourself with your predecessor's file as you make your way through this case. Steel yourself, and stay focused. Don't let us down. Your work so far has not gone unnoticed. Here is your chance to prove yourself. © 2014 Ubisoft Entertainment. All rights reserved. As both a bound art gallery and a lore builder, the Abstergo Entertainment Employee Handbook is something that every Assassin's Creed fan needs to have on his or her bookshelf."VG Blogger: Filled with high quality artwork, the book captures the dreamy period setting of the French Revolution with all the stylistic trappings expected of the series. As well as giving insight into potential future titles, the Employee Handbook is a warm reminder of a franchise that has been with us for the better part of 10 years. Part brochure, part art gallery, and part game companion, Abstergo Entertainment: Employee Handbook is a must for any serious Assassin's Creed fan. Starburst Magazine: Both beautifully done and actually pretty fun to read...if you're an Assassin's Creed fan, you'll love what it's got tucked away. Like hints at where the next Assassin's Creed's gonna be set. Games Radar: No doubt this book will be a must read for any Assassin's Creed fans out there and will certainly be a nice addition to pick up whilst you're buying your copy of Assassin's Creed: Unity. Award-winning and seven-time New York Times best-selling author Christie Golden has written over 40 novels and several short stories in the fields of science fiction, fantasy, and horror. Among her many projects are novels for Star Trek, Star Wars

I love this author she wrote assassins creed heresy, an excellent book from the point of view of a Templar living through his ancestor during the battles of Joan of arc. Back to this book though it is amazing every detail every page you can tell they took their time in designing it. This really is the perfect companion to unity

I recently started collecting video game art design books, and this one is one of the best I've bought so far. Great artwork, lots of inserts, and a great amount of content. The book was truly engaging with a variety of different forms of media including picture inserts, letter inserts, and many more. I highly recommend this book to anyone interested in video game art design.

I absolutely love this book. It offers great insight and more interesting way at learning and expanding your knowledge of the Assassin Creed world. It is a great book for the price, there are many need little sticky notes and letter that keep you looking for more. Not to mention that the graphics are amazing.

Very good. Holds the history of Robert Fraser, Abstergo employee that went mad at the Animus, got into the templar order, learnt about Those Who Came Before, and more... The book has his notes and some extra content. Every one who wants to read in-universe material should buy it.

Very nice addition for assassins creed collector fan.

Perfect!

I love everything about Assassin Creed. I consider myself an expert in the lore and this has info that even I did know. The book has a great feel to it and makes a excellent coffee table book.

Awesome for any assassin's creed lover. this makes me want to play unity after all the bad review. i was able to get it when it was on sale for \$5 which i'm glad i did worth the regular price. beautifully put together
