Customer Reviews

"Clear and inspiring, this is a great approach to leadership." — Publishers Weekly on *Good Leaders Ask Great Questions*

"The first time I met John Maxwell, I could tell that he and I shared the same values. He cares about people and he wants to help them. One of the best ways to do that is to teach people how to overcome failure and adversity. That ability turned my life around. If you read *Sometimes You Win--Sometimes You Learn*, you will learn that valuable skill. I highly recommend this book." — Ben Carson, M.D., pediatric neurosurgeon on *Sometimes You Win--Sometimes You Learn*

JOHN C. MAXWELL, the #1 New York Times bestselling author, coach, and speaker who has sold more than 25 million books, was identified as the #1 leader in business by the American Management Association's ® and the world's most influential leadership expert by Business Insider and Inc. magazine in 2014. His organizations--The John Maxwell Company, The John Maxwell Team, and EQUIP--have trained more than 5 million leaders worldwide. Maxwell speaks to Fortune 500 companies, presidents of nations, and many top world business leaders.

The only negative (and hard to write a negative about any Maxwell book) is that it is really more of a workbook, based on a previously published book, "Make Today Count." I could give 4 stars except the description did not make this clear before I purchased it.

This is one of Dr. Maxwell's devotional books to encourage leaders over a 90-day period. I highly recommend that leaders purchase this book. Too, I highly recommend the seller who was prompt in delivery, excellent in promotion, and great in packaging.

This book will challenge you to rethink how you view the important things in life: career, health, family. If you seriously do the work each day, you will see changes within yourself to living your life to the full.

Bought a total of 10 to give out as gifts for Christmas and they all love it! A great daily journal/read!

Great book!

John Maxwell is always at his best! Very inspirational and though provoking.

If you want to make a change....read it!

Excellent!
