Everything written by Nancy Demoss Wolgemuth has challenged me, but this study tops them all. A friend and I have been working through Nancy's studies since the beginning of the year. We did True Woman 201 early this year and then again with our summer Bible study. Next, my friend and I did Choosing Gratitude. We are currently on week 5 of Seeking Him. The Holy Spirit has used this study to convict us, show us what is in our hearts, and show that even we, who have been Christians for many years need revival.We took an extra week, as suggested in the book, to study the Holiness of God which was so pivotal in our view of ourselves and our sin. I have appreciated the chapter on grace in showing practical ways to find grace to help us in our time of need. We are also working through the devotional on The Lord's Prayer which meshes together so well with our study on revival teaching us to seek His Kingdom instead of our own. It showed what truly Hallowing God's Name looks like in the practical. I appreciate that about Nancy's studies. She brings the studies down to application while showing the big picture. I am thankful.

Setting Your Captives Free10. Sexual Purity: The Joy of Moral Freedom11. The Spirit-Filled Life: God's Power in You12. The Personal Devotional Life: "Seeking Him" Daily

All my life I struggled with my personal time with God. I could never get out of scripture reading and devotions like I wanted and needed. This book was a breakthrough for me. I HIGHLY recommend it for someone who's been a believer for a long time. And yes it is geared more towards mature believers and not so much a new believer. Best thing I've found so far! You won't regret it!

Am in the middle of this Bible Study and it's one the best I've ever taken. The content is interesting and personal as well. We've had some awesome small group discussions on this Study. Highly recommend it to anyone!

Seeking Him by Nancy Leigh Demoss is Awesome! It is NOT an in-depth study, but IT DOES an outstanding job of APPLYING scriptural truths. Relationships are everything! First our vertical relationship with God is examined: Are we walking in pride or humility. What do they look like? Do we agree with God about our own sin? Are we being honest? Are we willing to be obedient and actually trust and believe that His word is true? Then, our horizontal relationships are examined: Have I offended anyone? Am I willing to seek their forgiveness - even if they did hurt me. Will I forgive those who have hurt me so that bitterness won't become my constant companion? Will I do God's will even if my feelings do not line up with the truths of His word? Will I actually "trust in Him with all my heart and lean not on my own understanding acknowledging him in ALL my ways?" Our treasure is not in stuff which will decay, but in relationships with God and those we love. Seeking Him emphasizes our need to follow Jesus' example and letting Him work in us and through us to His glory. We each have a choice: My will or His. . . The women in our Bible study are reaping huge benefits: restored relationships, weight of guilt being lifted from their shoulders, freedom. . . It is exciting to see the fruit of walking in obedience and the testimonies of the "abundant life" we can have in Christ now! This study is appropriate for both men and women. (My husband is using it to disciple a few men.)

I just got this book today, and have yet to actually get into it but I skimmed through the pages and am excited to start it tonight!! I pray it helps me evolve more with Jesus! The shipping was fast and I got it faster than I thought I was going to without paying for the expedited shipping! I foresee me purchasing more books similar to this in the near future!

Be prepared to study the Word of God and be challenged to obey. This study is a great tool for falling in love with the Saviour, walking in surrender to Him and laying aside sin that so easily hinders us. This study is a staple for any church discipleship program or small group.

I just completed the study and it was truly a life-changing experience. God will revive your heart if you seek him earnestly. Thank you Nancy Leigh DeMoss!!
