Curacao : Road Map With Street Indexes, Diving Sites, Biking Trails, And Hiking Trails

Synopsis

Curacao at 1:55,000 on an indexed and GPS compatible map from the Caribbean-based cartographer Rafal Kasproski highlighting numerous diving sites and various places of interest, with street plans of four locations plus on the reverse a more detailed enlargement of the Willemstad urban area. Topography is shown by altitude colouring with spot heights; the Christoffel National Parks is clearly marked. Road network indicates main roads and shows secondary roads and local tracks or footpaths. Recommended biking and hiking trails are highlighted. Symbols show various facilities and places of interest including beaches and snorkelling sites, flamingo areas, scenic views, etc. Along the coast numerous diving sites are marked. The map has latitude and longitude lines at 2 intervals. The index lists road/street names. Map legend is in English. On the reverse is an indexed enlargement showing in greater detail at 1:18,500 the Willemstad urban area, including access to the island's international airport. Also provided are indexed street plans of Barber, Grote Berg and Tera Kora (all at 1:6,000), as well as central Willemstad at 1:8,000; plus the island Klein Curacao at 1 : 55,000.

Customer Reviews

it is ok. this day of age is not that practical while you driving... but i did use it.

Handy to have while touring the island.

Helped us get around Curacao.

Has pretty good detail, easy to read.

Just what I expected and needed.
