Kindergators: Hands Off, Harry!

Synopsis

“Wells’ details of the kindergarten classroom are spot-on, and, as always, her illustrations, rendered here in textured mixed-material collages, perfectly capture young children’s body language and emotions.”

• Booklist Beloved picture book author-illustrator Rosemary Wells brings her signature humor and trademark knack for understanding young readers to issues of personal space in the first book in the Kindergator series. Perfect for classroom use or for reading and sharing at home. “Guess what happened at school today!” Kindergators work and play happily in Miss Harmony’s class. But Harry isn’t being a good classmate! He’s disrupting Friendly Circle, causing accidents, and upsetting the class. Can the Kindergators find a way to help Harry learn to respect personal space?

Cute book for young children about keeping hands to yourselves and respecting each other at school... Perfect for what I wanted.

Weren't fans of this one... toddler may have been too young (2.5), but we couldn't even get through it once in multiple tries. Returned it...

Best book ever! helped my son to learn its not ok to hit others or push them... his behavior has gotten alot better. fantastic book.

Well written story, one that children will be able to relate to and learn from. I wish there were more picture books on this topic.

Read this to my 5 year old a few times to help him understand personal space. Worked great.

Cute book. Trying to help my 3 year old learn self control. He's not mean, but he just plays very physically and can get too rough. He enjoyed the story.

One of our favorite Rosemary Wells books. She captures Kindergarten perfectly and encourages courtesy towards other in the process. Love the humor in it.

I read aloud to preschool (4-5yr olds) and after the teacher heard it, she said she just had to have it to read aloud to her class and so I gave it to her as a gift. Ms. Wells must have spent either years as a kindergarten teacher or many many hours observing these age groups. It is very funny, while making its points.
