Heroes Of The Bible Devotional: 90 Devotions To Help You Become A Hero Of God!

Synopsis

Ask any 12-year-old kid to describe a hero, and you will get some of the following answers: a superstar athlete, a soldier on the front lines, or a guy in a cape who can jump over buildings. Most of our “heroes” are related to human achievement and glory, but the Bible has a very different concept. The list of people who were great in God’s eyes might shock you. This devotional book is about their stories. The 90 devotions feature the qualities of Bible characters that made them heroic. From Moses to Esther to Jesus, kids will learn more about how these Bible people pleased God. They will know that qualities like courage, worshiping God, and being a true friend are heroic actions. The devotional features line drawings of the Bible characters to further help youth identify with and learn about the people in the Bible.

I really like this devotional for my 8 year old son. It has sparked some great discussions and let him share his thoughts with us. It is written in a way that is engaging to him, yet what we have read so far has been sound in its teachings. Great purchase.

My 9 year old son reads this every night without asking. He loves the stories and wants to tell me all about them. It's a great introduction to stories of faith in the Bible, making it relevant and age appropriate.

After reading all the reviews, I finally bought this for my 7 year old son. He can't put it down! He has always loved hearing stories about David and went straight to that chapter. He has also enjoyed reading and learning about the other Bible Heroes.

This book has my full endorsement. This book is an awesome way to teach your children (or grandchildren) about what God considers a Hero and how "ordinary" people can be extraordinary "Heroes of Faith", by using the Heroes of the Bible to teach rock solid truths. In today's environment - this thing could preach from the pulpit! My children listen with interest and fascination. And I must say, as a Lover of The Truth, Dad thoroughly enjoys this book too. We read it from Kindle on our Android devices, but it is also available in paperback.

My almost 12 year old son absolutely loves this devotional book. He has read ahead many of the pages and says he loves the author. He hasn't missed one day and is almost done with it. He reads it every night before bed. Makes me so happy. Now, I need to find another book for him that he likes just as much that's for his age group.

What a great way to learn about the characters of the bible!!! GOOD JOB AUTHOR! My son loves it!

Very detailed devotions! I like this one the best out of the four I purchased for my children.

Start to finish, we all loved this devotional. One of the best ones we've done, and one of our favorites.
