Synopsis

Wow! Leukemia One Woman's Battle For Survival is Free to borrow for all Prime Members AND absolutely Free to all KindleUnlimited subscribers! Also note that Leukemia One Woman's Battle For Survival is available on all Kindle devices, any Microsoft or Apple computers with the FREE Kindle applications and any Android devices, iPhones or iOS devices with the absolutely FREE Kindle app! Leukemia One Woman's Battle For Survival is available on Kindle or you can download it to your computer with 's FREE Kindle application for PC. Come with me and journey down the most amazing path of a LEUKEMIA WARRIOR's battle against the horrendous and mysterious blood cancer, Leukemia. I have been in a battle for my life for over 6 years now. Leukemia One Woman's Battle For Survival is the real true story of my battle with leukemia and my struggle for survival. I kept a faith diary when I was first diagnosed with Leukemia and I have included some of the personal entries from my faith diary in Leukemia One Woman's Battle For Survival. As you read Leukemia One Woman's Battle For Survival, you will get an up close and personal look in the life of a Leukemia patient; her pain, her battle plans for survival, her experience with her doctors and much more! You will be able to walk with me from the minute of my diagnosis of Leukemia to my present day of survival and learn all about my battle plans and the weapons I used to fight the awful battle of the blood cancer, Leukemia. You will discover the new medicines and treatments for Leukemia which include: *Gleevec (Imatinib) *Tasigna (Nilotinib) *Sprycel (Dasatinib) Learn how Leukemia is diagnosed through Bone Marrow Aspirations, Blood Analysis including CBCs and CMPs and other blood work your doctor deems necessary. If you or someone you love is in a battle against cancer of any kind, but especially the blood cancers, then you will relish Leukemia One Woman's Battle For Survival. I hope you enjoy reading it as much as I did writing it, because even though it brought back painful memories, if it helps just one person to battle this disease, then I am happy to offer it up.

Customer Reviews

as someone who has had leukemia, this seems fake. it seems more like an ad for whatever drug she keeps mentioning in the book. it is also not helpful AT ALL. if you are looking for a book to help you answer questions about leukemia, find a different book.

The information that is being used to promote this book contains inaccuracies and is generally not the type of information that would be provided by someone with direct knowledge of leukemia or chronic myelogenous leukemia (CML). The content includes generic information that appears to have been lifted from other materials. It's sad to see cancer patients misled by something like this attempt to claim knowledge about this rare form of leukemia to sell this product and get a few bucks.

I am disgusted that someone would write a book wanting to cash in on this disease....DO NOT BUY THIS BOOK
