Great, accessible musical for elementary students, even some middle schoolers. This anchored our program and was a wonderful change of pace this year. I would love to see others, maybe music put to nursery rhymes, brief versions of fairy tales, etc.

It got her in great time and I have been able to practice so we can sing at my school's Christmas program. Thanks!

My kids love this CD, as it has all the songs that they sang at the school's concert and is sang entirely by children.

My grandson's music teacher chose this mini-musical for last year's 1st-3rd grade elementary

school Christmas program. It is AWESOME! Fun music that the kids really like and the people in the audience will enjoy listening to. The "Reindeer on the Roof" song is the best! The kids really got into it as the girls sang one part and the boys another and the song is just plain fun! There are speaking parts too. They tell the entire Clement Moore 'Twas the Night Before Christmas story with the songs interspersed between the speaking parts.

My son's second grade class just performed this as their Christmas program and it was so cute! "Reindeer on the Roof" is very catchy and "When I Look at Santa" brought a few tears to my eyes. This is a delightful collection of songs to put everyone in the Christmas spirit.
