## Customer Reviews

"Don't leave home without STREETWISE" -- New York Times  
"STREETWISE is an absolute travel essential" -- Travel & Leisure

I bought this laminated, fold-up map for my daughter when she moved to Montreal to attend McGill University. After a few weeks she reported back: "That map is the best thing!" It helped her get around and get to know the city, it fits in a pocket or pocketbook and it has several levels of very helpful detail.

I have used these maps in several cities and have consistently found them useful, handy, and accurate. The Montreal version was no exception. These maps are durable, fit easily into one's hip

pocket, and are much the best of the many pocket maps I have used in 30+ years of travel.

Unreal, I read the other reviews and thought this would be good for me. The editorial review said "New York Times "Don't leave home without STREETWISE" OK, has to be good right? Honestly, this is just unbelievable, a map with about 10 cultural sites, 6 or 7 hotels and the metro map inset (you can get a printable metro map online at [stm.info](http://stm.info)). Sheesh, what a waste of money.
