Grandma, Grandpa And Me: Stuff Kids Tell Us

Synopsis

Stuart Ample and Eric Marshall have an unusual gift for listening to children, and for picking out the memorable thought and the unique turn of phrase. They compiled Children's Letters to God, which has 1,110,000 copies in print. And in Grandma, Grandpa and Me, they celebrate what kids have to say about their grandparents. "My grandma gave my mom a very beautiful ring and someday she is going to give it to me and someday I will give it to my daughter. That's the way you make history."
--Brooke, 9 "They never forget your birthday. They never forget what you want. If you feel bad, they know how to make you feel good." --Emily, 9

Bought this as a gift for a friend of mine who will have her first grandchild this year

Reading this book gives the reader such an appreciation for children. Children are so innocent and honest. It is a great book to read to children as well as for adult to read. Children benefit from this book by experiencing the respect other children have for their elders. Adults benefit from this book

by feeling the love of children. I read this book to my son numerous times and we both still get a chuckle out of some of the things that were written in this book.

This book is fabulous. Adult grandchildren & great grandchildren sat with Grandma/Great Granny reading, laughing, reminiscing, and making new memories.

I was given this book when my first grandchild was about to be born. I loved it so much that I give it to all my first time grandparents to be.

Grandpa really liked this little book and so did I. It was good to hear him laugh. Nice as a stocking stuffer or for grandparents who don't really need anything.

Love love love this cute book! It is filled with such cute quotes from kids!

This book is a wonderful collection of quotes from children that have been overheard by grandma and grandpa. It is thoughtful, touching and just down right hilarious. I recommend this book to ANYONE: parents, grandparents, teachers, children, pastors etc. because there is something in it that we all can relate to. It makes a wonderful present and really lets your child, or your, grandma and grandpa know you care no matter where they live.
