ISBN-13: 978-0824832148

Product Dimensions: 0.2 x 4 x 9 inches

Shipping Weight: 0.8 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 39 customer reviews

Best Sellers Rank: #221,442 in Books (See Top 100 in Books) #14 in Books > Travel > United States > Hawaii > Maui #196 in Books > Reference > Atlases & Maps > Atlases & Gazetteers #371 in Books > Reference > Atlases & Maps > United States

## Customer Reviews

This map was okay. We bought the map before we left for our trip, with the intent to take it with us, which we did. However, we found that we used maps in free publications that we picked up there more than this map. I'd save the \$5 and put it towards the book "Maui Revealed". That was a book we referred to everyday, and it has maps of the towns in it as well.

Don't rely on the city maps! The Kahului map is definitely way off. I would have though it was hard to mess up a map, but I was wrong.

Easy map to use while on vacation! But FYI there are free maps of Maui everywhere!

ÃƒÂ Ã„Ã„ÃœÃ Ã

We bought one of these maps for each of 3 islands we visited in April 2014. They were a great asset to have in the car as we headed out each day to explore the islands. Easy to read and accurate.

Worth getting. We are AAA members and can get maps for free, BUT their Hawaii map has all the islands on one, so nowhere near the detail. (Haven't left for our trip yet, so I'm assuming it is accurate).

This is a good general purpose map of the island of Maui. The main map depicts all the major roads on the island and the major roads in built-up areas. Detail maps of Wailuku & Kahului, Lahaina, and the Kihei to Makena area depict all the surface streets and major landmarks. This is sufficient detail to be the only street map that most tourists will need. In addition, the map indicates major landmarks and points of interest, streams and waterfalls, and has shading to give an idea of topography. All place names are correctly spelled with okinas and kahakos.

Generally useful maps, although there are free, much more detailed maps available on the island of specific locations (e.g. West Maui, South Maui).

Very helpful for first time visit to Maui
