Easy Pronunciation

Synopsis

Improve your American English Pronunciation quickly, easily, and effectively with the simplest and most practical program available. No matter what your level of English is or if you're trying to lessen a strong regional accent this program will help you sound more natural and communicate with greater ease and confidence. Better pronunciation means clearer communication at school, on the job, or in any social setting. Easy Pronunciation from Living Language is practical, convenient, and simple to use. The explanations are clear enough for anyone to understand, and there's plenty of practice to get every sound just right. All you have to do is listen and repeat. In this program you'll find:

- Six hours of recordings on six CDs
- A 64-page reference guide to improve your spelling and reading
- Simple explanations of sounds, words, and sentences
- Helpful hints on avoiding pitfalls
- Natural conversational English
- Plenty of practice, not just with sounds and words, but with phrases and sentences

There is no easier way to improve your pronunciation! --This text refers to an out of print or unavailable edition of this title.

Best Sellers Rank: #11 in Books > Audible Audiobooks > Language Instruction > English #18 in Books > Audible Audiobooks > Language Instruction > Other Languages #694 in Books > Reference > English as a Second Language

Customer Reviews

my wife loves this program. She finds it helpful to improve her pronunciation of words, but not learning words

Awesome Thanks *****

I liked the exercises and the CD, but not the explanations.

I just practice and practices and more practice the English Accent.

Excellent tool for ESOL learners!

This will be difficult for any beginning English speaker to use. The introductory information is spoken rapidly and will not be understood by someone learning the language. The "exercises" only pronounce the words once with little time for the student to repeat the word. I can see lots of students getting frustrated with this program very quickly.

I gave it as a gift to a friend wanting to better her English. She uses it and likes the ease of the material.

this product is excellent for somebody who knows English but needs help with pronunciation. It is very specific about where to place the tongue to achieve the proper pronunciation.
