Caring For People From Birth To Death

Synopsis

Discover the manual that will help you teach ministry students and effectively minister to people in all developmental stages! *Caring for People from Birth to Death* is a helpful resource for people who care for people. Each chapter describes a particular stage of development in the human pilgrimage from the preschool years to senior adulthood--from the cradle to the rocking chair. Guidelines and usable suggestions for a caring ministry are included in each chapter. In *Caring for People from Birth to Death* spirituality as it relates to the developmental process is explored by the contributors with a new section in each chapter that concerns the growth and decline of a person's spirituality throughout his or her life. Some of the issues you will explore in this new edition include: developmental theories and spiritual issues for every stage of life caring for the elderly through a team effort ministering to confused adolescents expanding your parishioners' feelings of self-worth the fundamentals of teaching preschoolers about Jesus working towards spiritual growth in adult males *Caring for People from Birth to Death* is for seminary students studying developmental psychology and ministry, for CPE training programs, for pastoral counseling training programs, seminary professors, pastoral counselors, and church staff ministers. This concise handbook will help you quickly grasp the developmental issues people face and give you ideas on how the church can effectively minister to these folks. This book is updated from its original publication, and each contributor's intrinsic style has remained intact for you as you explore and learn from this complete manual on ministering to your community members. *Caring for People from Birth to Death* offers you practical, ready-to-use strategies for understanding, taking care of, and ministering to people of all ages.

Customer Reviews

"An expertly detailed account of the hopes and hazards folks experience at each stage of their lives. Your empathy will be deepened and your care of people will be highly informed. You will find yourself assessing your own growth and maturity. So-order it now!" -- Wayne E. Oates, PhD, Professor of Psychiatry Emeritus, School of Medicine, University of Louisville, Kentucky"Like a shot of adrenaline. . . . Helped me review the entire process of my own life as a person, a husband, a father, and a minister. " -- Myron C. Madden, PhD, Consultant, The McFarland Institute, New Orleans, Louisiana --This text refers to an out of print or unavailable edition of this title.

The quality did not meet its description. The book was more worn with more writing than described.

It's okay. It gives an understanding to helping people live, and gives an understanding of just how to take care of these folks.
