# Michelin The Green Guide Portugal (Michelin Green Guide)

## Synopsis

This popular title in the acclaimed Green Guide series brings you the best of Portugal in a single volume: from the terraced vineyards of the Douro valley to the inviting beaches of the Algarve; from the azulejos-covered facades of Lisbon to the volcanic summits of the far-flung islands of Madeira and the Azores.

Shipping Weight: 1 pounds

Average Customer Review: 3.6 out of 5 stars 5 customer reviews

Best Sellers Rank: #608,132 in Books (See Top 100 in Books) #54 in [Books > Travel > Europe > Portugal > General](#) #441 in [Books > Travel > Europe > Spain > General](#)

## Customer Reviews

Anyone visiting Portugal as a tourist will need this guide, far and away the most detailed and informative of available guidebooks. You will need the Michelin red guide (which also covers Spain) for Hotels and Restaurants although a few are mentioned here for each city. Pictures are nice and the format is convenient. Green guides are much improved over the old ones that were too densely printed and hard to read.

Could use more pictures. Overall the maps and distances were great. It had some good tips. The star ratings sometimes aren't a good indication on how interesting a place may be. I.e. we loved Porto and the guide gave it only one star.

HORRIBLE! I've traveled all over Europe, and have used many guidebooks, to include Lonely Planet, Rough Guide, Fodors, Frommers, etc. This is by far the worst guide book I have ever used. I am not embellishing for the sake of hyperbole. This book is completely inadequate, especially if you plan to travel anywhere outside of Lisbon. For any of the smaller cities, there are no hotel listings, dining recommendations, or basically any useful information. It also annoyingly advertises for

Michelin. I would even take Michelin tires off of my vehicle after using this book. I never even take the time to write reviews, but I was so disgusted with this purchase, I felt a moral obligation to warn others from making the same mistake. I will now be searching for another guide book prior to traveling to Portugal. I am open to other recommendations.

Highly recommended for visitors to Portugal, is surely the most underrated destination in Europe: food, wine, scenic, gracious people, and Fado!

Great book to guide yourself or to supplement touring Portugal. Portugal has much to offer since it joined the European community...
