Madrid, Spain's central capital, is a city of elegant boulevard and expansive, manicured parks such as the "Buen Retiro". This eBook contains a detailed information about the 25 best things to do in Madrid. You will discover some of the "must try" restaurants and explore the much-loved bastion of traditional Madrid cuisine, the bars that are worth visiting, the breath-taking sceneries that we should not miss, the beautiful parks and museum that are worth visiting. I find this eBook very helpful most especially for the people who are traveling to Madrid. A perfect guide in making sure you get to visit all the tourists spots and never miss anything that you will regret. Madrid is listed on my bucket list and this eBook will be very useful to me next year! Highly recommended!!!

I lived in Madrid for the entire last year as an exchange student. During my stay, I went out a lot to avoid getting homesick, and so IÃfÂçÃ â ¬Ã â,,ve been to just about everywhere in the city. This guide is legit! IÃfÂçÃ â ¬Ã â,,ve been to most of the spots mentioned by the author, and boy did he come up with an excellent roster of places to eat, attractions to see and activities to do. As an almost Madrid local, I would totally recommend you pick this up if youÃfÂçÃ â ¬Ã â,,re planning a trip to city!

I've always wanted to go to Madrid and now that I can, I wanted to plan it in advanced. I'll be visiting Madrid by the end of the year with my family and I'm so excited that I'm already writing our itinerary. Speaking of itinerary. I used the details I got from this book to draft our timetable. It's really helpful because it has the details of the recommended places like contact number, opening and closing time, and what's good about the place. All in all, I approve this book.

It's almost summer. I am planning of going on a vacation and currently searching for a country and city to visit. It is interesting to read a book such as this. It seems that the writer of this book is very familiar with Madrid. The places to see and activities to try are very thoroughly explained. Visiting Madrid tops my list after reading this book.

Madrid is one of the places I dream to be. I have a bucket list that I need to prepare to. Getting this book is one way to prepare me to this dream of traveling. This book contains a lot of things that made me crave for more of Madrid. How I wish I can travel soon.

Its basically a top 20 of his choce. It offers no insight whatsoever nor it helps you plan your visit.

What a waste of money! What is "secret' about these places? How much they paid this clown to put them in his book? Boo.

It was a good heads up for before our trip.
