Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I bought this for my cousin to use with his new baritone uke. He loves it. Some good songs and easy to play. Good book, especially for a beginner. I chose this one over the 4 chord book because the four chord book has quite a few more recent songs that he was not interested in, so that would have been less songs for the buck. This book has a nice mix, especially for an older player.

Fun book

its a good book

the bomb.

Very nice songbook!

I am a very beginner....so I think I need songs are are familiar - can you suggest a very beginner book for me? thank you.

I can get this from the internet... I returned it...
