Ideal for personal, home, or business use, this 15-month planner includes inspiring, themed monthly readings from America's best-loved poet, Helen Steiner Rice, plus thought-provoking weekly bullet points. Featuring monthly and weekly calendars, a year-at-a-glance section, and much more, this planner reminds users that, because of God, each new day is a reason to celebrate!

Born in 1900 in Ohio, Helen Steiner Rice has been called the "poet laureate of inspirational verse." She worked as a greeting card editor before she began writing poems and returned to her Lord in 1981.

Love, love, this calendar! It is easy to carry and the readings are a pick-me-up. I love having the monthly calendar as this is the main section I use. It is an easy way for me to keep track of what is going on between my husband and myself. I have used the Helen Steiner Rice For Each New Day Planner for several years. The only thing I dislike about the 2016 calendar is the color. It shows dirt so easily so the deeper colors are much better.

This is a lovely day planner. It has Biblical verses which I really enjoy. There is a lot of space for notes and things to do. Month at a glance and daily spaces. After I received it, I purchased one for my mom. Great planner for the price.

Great love it.

Very pleased with purchase

I loved my 2015, so i had to have the 2016
