Great ideas in this book. I like the concept of SB diet and have great success when eating this way as a lifestyle. I do deviate from his advice slightly; not a fan of any artificial sweeteners, margarine and other highly processed foods that are sometimes suggested in the SB Diet books. I look for a healthier alternative. Phase 1 kick off party: Cucumber Sticks with Tzatziki Dip, Caprese Skewers, Creamy Broccoli Soup, Grilled Rosemary-Lemon Chicken, Warm Chickpea Salad, Spinach and Radicchio Salad, Cocoa-Nut Mousse. There's a section for almost any event or holiday. Even baby showers, Super Bowl, Brunch, Family Buffet and the Valentine's Day Dinner for 2. Can't wait to try the cheesecake.

I got this right before Thanksgiving, which I would be hosting for the first time, and the few recipes that I've tried turned out great! I served the stuffing, the green beans amadine, and the butternut squash, and they all went over quite well. My mom (who is really hard to please) enjoyed them all and commended me on serving such a healthy Thanksgiving meal. What I also like about this book are the many dessert recipes. I tried the ranger cookies today and MAN, are they good! Can't wait to try the cheesecake, and the pumpkin pie. Highly Recommended.

This is the second copy we have purchased. Don't think these recipes are limited to parties & holidays. The fish recipe in particular is the best. This book has great recipes that don't taste anything like diet food.

ALL of the South Beach Diet Cookbooks have made a great support and enhancement to my family and me to help me with meal time "curb appeal" for my husband's reluctant acceptance of similar healthy choice menus that aided me to loose 85+- lbs. 6-8 yrs. ago(& keep them off)!!! Wow, what a find! So nice to add depth to my recipe selections that coincide with the "Rosedale Diet Food List A & B" that I have lived successfully by over the years. YEA!!! jem

You can have your cake and eat it, too! Try awesome new recipes and stay on your diet.

I went on the South Beach Diet in November 2005. In one year I went from weighing 280 lbs to weighing 215! My cholesterol went from 221 to 141, and my blood pressure went from 150/100 to 117/77 (with NO drugs). Also I lost 6 inches around my waist. It went from 42 inches to 36. As of May 2008, I currently weigh 212 (at 5' 11") and am trying to work my way to 195 now. I own all of the books and am one of the biggest advocates of the diet. I would recommend this book to anyone!

I own all of the South Beach Diet cookbooks & use them as my core resource when I want healthy meals that include whole grains, fresh vegetables & fruit, and dishes that taste fantastic. The Holiday Cookbook is an older publication date but the recipes in it are wonderful. I wanted menus specifically for events and this cookbook delivers exactly that!

found some good recipes.
