Customer Reviews

The holiday-makers' favourite guidebook series is the best all-rounder The Sunday Times Travel Magazine

Spent 10 days in Laos last January. This volume contained useful information but i preferred Lonely Planet

Liked the guide book because it was informative and provided an accurate view of travel in Laos.

I've used guide books by other publishers and find that some of their suggested hotels and restaurants are a little out of my price range. This guide book offers less expensive options.

Used it in Laos.

Purchased for my student for her International Night poster presentation research.
