Synopsis

Includes a mentor's guide and a counseling questionnaire. Did you know marriage wasn't created just to make us happy? That God calls us to use it for eternal purposes? But a satisfying, God-centered marriage takes work, starting even before you're married or engaged. *9 Must-Have Conversations for a Doubt-Free Wedding Day* acts either as a stand-alone resource or as a companion to *The Sacred Search* and helps you as a couple explore: How to have a doubt-free wedding day How to engage in healthy conflict Why you need to divorce divorce How to develop and maintain sexual intimacy Why asking hard questions now is better than asking them five years from now When you love each other with God's purposes in mind, intentional conversation becomes not just preparation for marriage but the first step in merging two lives into one for the ultimate glory of God. Includes a mentor's guide, a counseling questionnaire, as well as a pastor/counselor's premarital plan for walking a couple through the guide.

Customer Reviews

We provided this book to our 17 year old son, who was pursuing a relationship that we were certain

would not serve him well in the long run. It took a while to get his attention, but he finally broke off the relationship when he started to see her clearly. We believe it's made a good difference in his outlook for finding a spouse. We have decided to use this book (and related materials) for an upcoming class for our church; we are completely convinced that it will save our teens a lot of grief and instead give them practical tools to identify and identify relationship pitfalls. I believe there are a few key points to take away.- Get your head in the game before your heart- Recognize the signs, symptoms, and dangers of infatuation- Consider whether the other person is likely to help you fulfill the Lord's intentions for you- There really isn't "the one", your "soulmate

I have read both this book *The Sacred Search Couple's Conversation Guide* and its companion book *The Sacred Search*. If you are a truly committed follower of Christ and you want to make a Biblical decision regarding a potential marriage partner, this book is essential! If used with a prayerful and open spirit and - if possible - an Awesome, professional Christian Counselor like Dr. Steve Wilke, this book will help you have the tough conversations every couple should have BEFORE they get married (or, rather, ENGAGED) so that you do not make a mistake in this lifetime decision. These conversations are difficult to have but imperative to vetting your potential marriage partner and determining if this person has the same life and spiritual goals and desire to follow God as you do. I only wish I had this book prior to my (failed) marriage. Before I marry again, this book and process will be a required commitment of my 'potential' prior to considering a marriage relationship. Anyone who is not willing to do this work prior to engagement and marriage, probably should not get married. Marriage is an option, not a requirement. we should each make sure that if we are exercising this option, we are honoring God and following Him in our decision making process. This book will help you to do this. Make sure you pick up two sets - one for you and one for your potential marriage partner!

I first heard about this book on FamilyLife Today radio hosted by Dennis Rainey. This book provides practical advice to Christian singles everywhere on how to approach dating in both attitude and behavior. It reminds us that we ought to focus on the "why" instead of the "who". This approach enables readers to re-evaluate their motives and priorities to help align their standards with that of the Word of God instead of pop culture and modern society. This is a must read!!!

We found it very useful with my girlfriend to get to know each other & to strengthen our relationship. (Even though, we don't agree fully with the title because we think there will always be some amount

of uncertainty in your decision.)

A Must read!

This book asks some heavy and hard questions - which is exactly why I found it to be worthy of 5 stars. A great resource for an engaged couple, but also for anyone who will be counseling/mentoring an engaged couple.

Larry Crabb does an excellent job of teaching a relational Gospel that began when God said, "It is not good for man to be alone." The problem is that humans, female-feminine and males-masculine have learned a way to protect themselves from the hurt of sin. He helps the genders to understand the damage and how it separates us from each other and God.

This author is one of the best on the subject on relationships. I highly recommend it, very practical questions to ask before marriage.
