# **Best Of Turkish Cooking: Selections From Contemporary Turkish Cuisine**

## Synopsis

Capturing the essence of Turkish cuisine, this compilation provides both classical and contemporary recipes. Filled with professional photos, thorough instructions, and detailed lists of ingredients, this everyday cookbook is ideal for enthusiasts of healthy Mediterranean food. Featured recipes include karniyarik, a special eggplant dish since the Ottoman times; and wedding soup, a classic item of Turkish hospitality. Savory Turkish desserts are also included, such as baklava or ashura?Noah's pudding. With a colorful exhibition of dishes from a variety of prominent chefs, this accessible guide is a must-have for food aficionados of all levels of cooking experience.

## Customer Reviews

Having traveled in Turkey this year, I wanted a well-rounded book of Turkish cuisine. This book has a variety of recipes in each of its segments. The recipes are easy to follow with ingredients that are readily available. Each recipe is quite simple and most are well illustrated. My problem with the book is that it lacked some creativity. Titles were simple and usually reflected the main ingredients. There were few Turkish explanations. When I buy a book that highlights a country, I look for additional materials that might give a history of the recipe, connections with the culture, and the origins and use of the foods. When would a food be served and are there any particular styles of presentation? Other than a one-page introduction, there was nothing that connected the reader with the culture. Better recipes can be found on line.

Good cookbook!!

Easy to make recipes!

I enjoyed the recipes in this book. The usage of English, however, is rather poor. I do not know if this book was originally written in English, or it was translated from Turkish to English. In both cases, the book is missing "something" due to poor language. I was able to make sense of the recipes because I not only speak fluent Turkish but also familiar with the cuisine.

How can I return this? I don't like the recipes.

best of Turkish Cookinggreat book, I enjoy cooking with this book and delicious meals..I am learning more about Anatolian foods..
