Ghost Stories Of The War Of 1812: Haunted Spirits Of Canada And The U.S.

Synopsis

The War of 1812 began and ended two centuries ago, but its ghosts have yet to realize it. Whether they are soldiers who died on the battlefield or innocent bystanders caught up in the horrors of war on both sides of the border between Canada and the United States, their restless spirits are still searching for peace. In this collection of haunting tales, the ghosts of the War of 1812 make their presence known.
