Stick Dog Chases A Pizza

Synopsis

Stick Dog and his friends are on a funny quest for pizza! In the follow-up to *Stick Dog*, Stick Dog and his friends return with the same crazy crew. This time these canine friends have discovered a newfangled flavor—and it's even more delicious than hamburgers and hot dogs. It's pizza! They won't be satisfied until they get some slices of their own. But it won't be that easy. There's a kitten to rescue, a plan to make, and the messiest—and most dangerous—game of catch they've ever played. Pizza is on the menu, but only if their mission succeeds. With hilarious text and stick-figure drawings, reluctant readers will eat this one up! Perfect for fans of such series as *Dog Man*, *Big Nate*, *Timmy Failure*, and *Diary of a Wimpy Kid*.

Is it a flying saucer? Is it a Frisbee? Or is it the best thing they've ever tasted? Stick Dog and his crazy canine crew have discovered a newfangled flavor—and it's even more delicious than hamburgers and hot dogs. It's pizza! And they won't be satisfied until they get some slices of their own. But it won't be easy. There's a kitten to rescue, a plan to make, and the messiest—and most dangerous—game of catch they've ever played. Pizza is on the menu, but only if their mission succeeds.

Tom Watson lives in Chicago with his wife, daughter, and son. He also has a dog, as you could probably guess. The dog is a Labrador-Newfoundland mix. Tom says he looks like a Labrador with a bad perm. He wanted to name the dog "Put Your Shirt On" (please don't ask why), but he was outvoted by his family. The dog's name is Shadow. Early in his career Tom worked in politics, including a stint as the chief speechwriter for the governor of Ohio. This experience helped him develop the unique, storytelling narrative style of the Stick Dog books. More important, Tom's time in politics made him realize a very important thing: Kids are way smarter than adults. And it's a lot more fun and rewarding to write stories for them than to write speeches for grown-ups.

Bought this for our 7-year old son after having previously bought him "Stick Dog Wants a Hot Dog". He reads like crazy, but these books are a little different from what he was used to, so I ended up reading that one to him, and he loved it. When I bought this new one, I was concerned he might still be intimidated by it, but he picked it right up and read it in two days, laughing the whole time. Will be buying the first book in the series next, and then patiently waiting for a new release!

I bought this and several others from the "Stick Dog" collection for my 8-1/2 year old who has little interest in reading at home at the moment. I think she's going to really like these, they're funny and cute and she loves animals - especially dogs. Hoping these will boost her interest, and looking forward to seeing her face when she opens them on Christmas Day.

What an adorable book! I love dogs, real or pretend, and I love the innocence and freshness of children's books. This has both, presented in a wonderful and fun story. I truly enjoyed this book.

Good read.

Another's great story from the Stick Dog series! My 7 year old boy loves all the Stick Dog books! He reads them independently and laughs out loud. We read them together and laugh out loud! Great for bedtime and taking to school! Funny and silly!

gift, seemed to be excited to read

My 7 year old LOVES Stick Dog and friends. The entire series is wonderful and filled with humor. He even loves the drawings. I use this book along with my homeschool curricula, giving my son Stick Dog assignments. It helps him enjoy his work.

I can't say enough about how great these books are. They are so funny and cute. I won't ruin it for you but they are a must read for kids of all ages (yes, I love having my daughter read them to me too).
