Customer Reviews

This set of recipes would be great for any camping trip. It has a nice variety of meals to satisfy both children and adults. It would be great for Girl Scout and Boy Scout leaders to have on hand.

Some good recipes but many lack ingredient amounts and many misspelled words throughout.

This is a quick read but don't be fooled! It's packed with great recipes and outstanding tips to the art of cooking with foil packets. For sure one of the better recipe and how to books on this subject.
