Meditation Prayer On Mary Immaculate

Synopsis

The Meditation Prayer on Mary Immaculate is one of Padre Pio's few published writings, penned before he was forbidden by the Church to publish or to engage in correspondence – this for fear a cult would arise around him. Here we encounter a profound spiritual penetration into the mystery of Mary's unique and sublime role in our salvation. Though brief, it can be read over and over with great benefit since it is – just as the title suggests – both a meditation and a prayer on the meaning of Mary. This booklet also contains a brief sketch of Padre Pio's life and numerous edifying pictures of this saintly stigmatist.

St. Pio of Pietrelcina was born as Francesco Forgione in 1877 at Pietrelcina, Italy. At the age of five he reportedly decided to dedicate his life to God, becoming a novice of the Capuchin Friars ten years afterward with the customary vows of poverty, chastity, and obedience. He received Holy Orders in 1910, and subsequently served many of the faithful as a spiritual director. Though he suffered a great deal both spiritually and physically, he always remained firm in the confidence of Jesus, Mary, and his Guardian Angel. Padre Pio was also a famed Stigmatist, and died on the twenty-third of September, 1968. He was canonized by Pope John Paul II in 2002, and his feast is celebrated on the twenty-third of September.

I love Padre Pio, however this was just a short bio and prayer. You could probably find this for free anywhere on the internet.

Provides a very, very brief historical background on Padre Pio and a closing prayer....was a bit disappointed.

I just love it. St. Pio's meditation on Mary will help you with your own if you have trouble meditating. I use it every day before I say my rosary. Nancy

Interesting but too short. Padre Pio writes some good insights into the Immaculate Conception. On the other hand, the text is too short and leaves you somewhat unsatisfied. There is a short biography on Padre Pio after his text that is interesting too

Short but nice meditation.

The Meditation prayer itself though beautiful is short, the rest of this book is a short account about Padre Pio.

Simply wonderful. One cannot read this book and remain untouched by the words of love and devotion for Holy Mother Mary and Jesus.

I find the meditations of Padre Pio to present him as a very humble priest. He has taken me deeper in my relationship with God the Father, Jesus, the Holy Spirit, Mary, and all the angels and the saints. I like having a small pamphlet that fits into a purse or pocket.
