Nun Bowling: It's Sinfully Fun! (Mega Mini Kits)

Synopsis

Nuns have had a great run. Ever since Sister Act established they could be cool and fun as well as severe and scary, the habits have been flying into stores and off the shelves. As a great addition to the new trend, this deliciously fun bowling set presents ten praying nun pins, one Satanic fireball, and 32-page introduction to the nun bowling sport. Many adults still have nun-phobia left over from their childhoods. This kit offers a healing experience that, at this price, is the cheapest therapy you can get.

Customer Reviews

I bought these as an ancillary gift to go with the tickets to Sister Act the Musical I bought my sainted mother for Christmas. Turns out that Bowling for Nuns is inordinately more fun than the show!

Cute! My Sister friend was delighted with them.

I guess I could have read the reviews or product details closer but I did not expect it to be so small. I was expecting something bigger and with more value to play around with. More of a shelf piece than a toy.

Hilarious, fun game that's entertaining for hours

I purchased this as a gag gift for a nun with a sense of humor. It is very small and will not hold your interest long, but isn't that the point of a gift like this?

cute but mine did not include the bowling ball so I will have to make due with a cat toy ball. I wanted to like this but I was shocked that they didn't include the ball.

Every year I buy my aunt some sort of funny religious gift. This past Christmas I got her this, and she loved it!! I love when I can make her laugh with something fun like Nun Bowling, Racing Nuns, Jesus Toast Stamp ... etc.

My BFF and I have always joked about nuns (I went to Catholic school.) This was a neat little gift to add to her 'serious' bday gift. Would have been 5 stars if the nuns weren't all exactly the same. Still too cute!
