Shopped so hard to find the perfect Slow Cooker cookbook for college aged son, and this was PERFECT...Big PICTURES...EASY instructions...outstanding recipes that people love, and in a loose leaf binder sectioned by tabs (Soups, Meats, Desserts, etc.)! It really is PERFECT and he loves it with his new slow cooker. Thrilled. Better than I hoped for when it came. It's about three inches thick!

Love the cookbook. Easy to follow

Lot's of great ideas!

great recipes

I gave as a gift to a friend who had never used a crock pot. It's been a great help n the steps are easy to follow.

I use my Ninja 4-in-1 slow cooker/baker a lot and these recipes are great to use with...

Great easy recipes! Highly recommended!

This is a really good and useful book. Now that summer is here, the last thing we want to do is be

heating up the kitchen when it's already 90 degrees out. With all these crock pot recipes, you can pretty much cook or bake anything you need, leaving your oven on vacation for the summer. This will also be very helpful for me when I am working a lot of OT during my busy season at work. This book was a great buy, and a good addition to my other book I have of hers "Baking with your slow cooker".
