ISBN-13: 978-0762736102

Product Dimensions: 4.8 x 7 x 0.3 inches

Shipping Weight: 3.2 ounces

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #2,000,221 in Books (See Top 100 in Books) #71 in [Books > Arts & Photography > Photography & Video > Architectural > Bridges](#) #196 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Paper Ephemera & Cards > Postcards](#) #488 in [Books > Arts & Photography > Architecture > Historic Preservation](#)

Customer Reviews

New England's covered bridges are a link to days past — to a simpler time when every town was small, and travel between communities was made on foot or by horse and carriage. Today these historic gems lure us from the interstates and invite us to listen to the flowing water below, to ponder the landscape, or to wait out a passing rainstorm. These twenty postcards capture the quiet, enduring beauty of the bridges, and are yours to treasure, to share, or to send.

It is a very good book with nice illustrations of many of the covered bridges. Gives good information on how to locate the actual bridges. While it may be fun to find these bridges by just driving in the area it is a lot nicer, for me, to have more concise information as to where they are located. You can drive many miles and not find one even though you are in the general area.

My grandson is interested in postcards of covered bridges so I bought this for him as a Christmas gift. He was delighted with it. The pictures are excellent and has many bridges with which we are familiar having lived in New England for most of our lives.
