Selected Studies: For Cornet Or Trumpet (Rubank Educational Library)

Synopsis

(Brass Method). These excellent studies are the next step for students who have completed the advanced level method for their instrument. The full-page etudes in this series, key-centered and supported by scale and arpeggio exercises, take the student to that next level of performance wherein their accumulated skills allow them to play full-length performance pieces with a high level of musicianship and competence. As such, many states include these pieces in their all-state audition lists.

Customer Reviews

Well printed, readable. Good trumpet literature.

A classic 'must' for all young/progressing trpt players.

Very easy to fly through, and has a lot of different etudes in different keys and scales. Great for advanced high school/early college students, and quite useful later on as well.

Just what I needed

I love this book, and I highly recommend it to anyways with at least 4 years of experience.

It wasn't for me, but as a graduation present to friend of mine. He REALLY enjoyed it of all the different etudes that it has. Even though it isn't the hard cover, it is still worth getting. I mean, why pay extra for the hard cover, if you are getting the same etudes on this paper cover book. I

STRONGLY RECOMMEND BUYING FROM THIS SELLER!
