Party Popcorn: 75 Creative Recipes For Everyone's Favorite Snack

Synopsis

Seventy-five sweet and savory popcorn recipes to satisfy every craving The days of buying popcorn in those expensive tins are over thanks to Party Popcorn, a book full of popcorn recipes that are incredibly fun and affordable to make at home. With 75 tasty recipes, Ashton Swank offers much more than just the familiar caramel and cheddar flavors. In the savory chapter, Swank includes creations like Pepperoni Pizza, Bacon Teriyaki, and Taco Lime. The sweet options range from Turtle Brownie to Goopy S'mores to Firecracker (which has candy Pop Rocks!). There's also a chapter devoted to popcorn fun for kids and another just for the holidays. Such a wide variety of flavored popcorn means that there's a batch perfect for any occasion. Even better, popcorn is naturally vegan, vegetarian, and gluten-free, a great alternative to unhealthy processed snacks. This vibrant little volume is the definitive popcorn guide.

Goopy S'mores Popcorn from PARTY POPCORN As a kid, I thought s'mores were the best thing about summer. As an adult, I still think s'mores are the best part of the season. Now you can enjoy these classic summertime and childhood favorite flavors year-round. Goopy marshmallow coats graham crackers, chocolate bar pieces, and popcorn, creating the ultimate s'mores popcorn experience. Directions Pour the popcorn into a large bowl and remove any unpopped kernels. Place the marshmallows and butter in a large microwave-safe bowl. Microwave on medium power for 1 minute. Stir until the marshmallows are melted and smooth. If needed, add additional heating time in 30-second increments, stirring after each time. Use a sturdy rubber spatula to scrape the

melted marshmallow into the popcorn bowl. Add the candy bar pieces and graham cracker pieces and gently stir to coat. Serve immediately. The popcorn may be stored in an airtight container for up to 2 days. Prep time: 10 minutes Serves: 6 Ingredients 8 cups popped popcorn 4 cups miniature marshmallows 3 tablespoons butter 1/2 cup chopped milk chocolate candy bars 1/2 cup crumbled graham crackers

“Ashton Swank has reinvented gourmet popcorn with creative, delicious twists in her new book, *Party Popcorn*. Buttered popcorn is going to seem ho-hum after eating treats like Turtle Brownie Popcorn, Chocolate-Covered Strawberry Popcorn and Bacon-Ranch Popcorn! This is the book I’ll be reaching for in preparation for my family’s Friday Night Movie Night.”

“Ashton Swank’s *Party Popcorn* is packed with snacky recipes that will have me reaching for this book again and again. From the traditional (Classic Kettle Corn) to the adventurous (Bacon Teriyaki Popcorn) to the straight-up sinful (Salted Toffee Chocolate Popcorn), there’s something for everyone and every occasion.”

I was hoping this would be great but it just good. It calls for air popped or fresh microwaved popped popcorn. Problem is that the popcorn is too delicate for some of the mixes..the popcorn deflates and is really not great. Popped on the stove with oil holds shape better with those types of mixes (the sticky wing for instance..probably the reason there wasn’t a picture of that one). The sweet ones are good with air popped....would probably be better with stove top (and we only make air pop here when we have regular pop corn). I think if you want to get good ideas but tinker on your own it is a worthwhile book.

Easy to follow recipes. Fun to make and delicious A great e at book to have if you need to whip up a snack in a hurry.

My kids love popcorn and they love cooking. This book combines easy recipes that are fun for my

kids to make. So creative and a great addition to my collection of kid recipes.

Lots of great sounding recipes. Hated to give it away, but since it was purchased for a gift basket, that was the whole idea. Everybody at work agreed it was a great addition and more than one wrote down the title. For little more than the cost of a single purchase of gourmet popcorn, you can create your own gourmet popcorn for any event!

This hardcover book is small in size but is packed with great ideas for popcorn recipes. We have tried several recipes to great acclaim and look forward to trying many more, with so many that sound so good it could be years before we try all of the ones that tempt us. The book is durably made and won't take up tons of room on our shelf but feels like it will stand up well to years of use.

Nice variety of recipes. Should be something for everyone.

great book love all the recipes I have tried. Easy and tasty

lots of fun popcorn variations and easy to follow instructions.
