Customer Reviews

Very handy and useful vocabulary. It would have helped if they could have offered the anglicized PinYin. Luckily I just wanted this for review as I already learned the Taiwan "bopomofo" method. Google the PinYin pronunciation and you'll find this quickstudy perfect.

I love this! So easy to use. Even has words in PinYin. Also Chinese characters.

Nice charts to have for a crutch. Easy to read and understand. Have the grammar one too. I like the layout of this one... (have the spanish one too)

All the basics of Mandarin all in a few pages. And it's laminated.

Helpful. Good quality lamination.

good reference guide for reminding yourself while walking past or actually studying it

The quick guide is great, but, it unfortunately did not contain any verbs

It's a helpful chart, what more can you say about it besides I got exactly what I wanted. :)
