Sewing: The Ultimate Guide To Mastering Sewing For Beginners In 30 Minutes Or Less!

Synopsis

Learn everything you need to know about sewing, basic stitches, and creating sewing projects. This audiobook is for beginners out there who didn't listen to their teachers during their craft classes, for those who didn't have a chance to listen to them, and for those who simply want to explore this age-old art. This book is intended to guide you toward mastering the art of sewing and equipping you with the skills necessary to create your own sewing projects and products. You will learn first and foremost the benefits sewing has to offer and the role it plays in your everyday life. Not only that but you will also learn the basic stitches in sewing, the tools you need to fill your sewing kit with, and the preliminary tasks you need to accomplish before you can sew. By the time you finish listening to this book, you are going to be able to start creating your own projects and unleash your creativity on fabrics of your choosing. You won't have to depend on what stores have to offer you because your imagination will now be matched with the skills to make all those dream projects come true. Why you must listen to this book: In this book you will learn how to appreciate sewing and take note of its benefits. This book will teach you the steps to creating various sewing stitches without the help of a sewing machine. In this book you will learn how to go through the dreaded tasks of threading your needles and thread knotting. This book will guide you through the tasks you need to fulfill first before you can start sewing. This book will teach you some simple projects that you can immediately work on as a beginner. In this book you will learn the measures you have to take to ensure a safe and accident-free sewing experience.

#139 in Books > Audible Audiobooks > Nonfiction > Lifestyle & Home > Crafts & Hobbies

#1808 in Books > Arts & Photography > Decorative Arts & Design > Textile & Costume

Customer Reviews

This book has a lot of good points to consider when taking up sewing as a hobby. It is short, sweet and to the point. What I would have liked to see more of would have been illustrations to show new hobbyists what they were looking for or how the stitch was supposed to look. In most of the needlework books I have worked with over the years, pictures are a vital part in understanding what your goal is. Other than that, the book was a nice overall synopsis and a bridge into more informative works on the subject.

Sewing: The Ultimate Guide to Mastering Sewing for Beginners in 30 Minutes or Less! (Sewing - Sewing for Beginners - Sewing Patterns - How to Sew - Sew - Sewing Books) by Jessica Pickens I am a sewer, not a great one but good enough. I don't like most of the clothing styles available in the stores today: skirts are too short and tops are too revealing. I chose to download this book with the very long title because I need to make my own clothing and I want to be better at making them. I think this book is almost perfect, it is just what a person needs except graphics. SEWING: THE ULTIMATE GUIDE TO MASTERING SEWING FOR BEGINNERS IN 30 MINUTES OR LESS! By Jessica Pickens is a step by step manual for creating your own wardrobe starting with understanding the tools for sewing. I was pleasantly surprised to discover instructions on how to create your own patterns for shirts and pants. To me this is the added bonus not the final Bonus Chapter: Knitting for Beginners. Though this book is great for newbies, it is also beneficial to the casual / hobby sewer such as myself. I recommend it.

Written for a young person!!! Very young!

Thank you

Author wrote in a way that felt patronizing

This was a free Kindle book and I'm glad it was free. It was totally worthless. Maybe with illustrations it would have been a little better.

I loved this audiobook! I was inspired to sew once again!

Great book for beginners who want to learn sewing quickly. I have always wanted to learn and this book is what finally taught me.
