Just Back from Prague and Budapest. This book was very helpful, with good suggestions, maps, etc. Very readable and chock full of information.

It was an old book, but was somewhat helpful.

One of my favorite places to visit and this made it so much more interesting!

I was a bit disappointed in the quality and presentation of this book. I have two DK Eyewitness travel gudes to Budapest that I found far more helpful - and colourful !

The book didn't give me the information I was expecting

Perfect book to have on hand for both cities. Very useful information and the size of the book is perfect for your pocketbook or backpack.
