Sleepover!: The Best Ever Party Kit

Synopsis

Everything a girl could dream of to make her sleepover party unforgettable – all tucked together in a reusable zippered tote. For as long as girls have had sleepovers, they’ve spent hours thinking up party themes and getting psyched for a night of story-swapping, game-playing, and stealing midnight snacks. But never have they had all the tools for a perfect party right at their fingertips! Here are just some of the components contained in this clever kit: HOW TO HAVE YOUR BEST EVER SLEEPOVER - a forty-page book offering cool themes, munchie menus, and personality tests for guests to take on the big night; A party planner (starting three weeks in advance, of course); Eight party invitations; Decorative stickers and nail stickers; Spa Night cards showing how to do facials, manicures, pedicures, hairstyles, even relaxation techniques; Game cards, including gory stories, palm reading, and Truth or Dare; A dream analyzer; Materials for making friendship bracelets; An inflatable frame to hold a picture of the event for posterity. What’s best of all, when the guests are gone, the kit lives on - ready for the next sleepover!
