Hockey And Its Greatest Players (Inside Sports)

Synopsis

Ice hockey which has been evolving for thousands of years is not now, nor has it ever been, a sport for the timid. Armed with pounds of padding, wooden sticks, and goal-driven intensity, the players of this sport are indeed a force a fast and often fierce force. Readers of this book will learn about the history and evolving rules of the game, how it came to be organized into leagues, and who the movers and shakers in the icy and often adrenaline-riddled rink are.
