Love this!! It has made bible study so great! Need to read my Bible more

This was a truly inspirational book for Christians. It has 826 pages & I read it in 2 days. Answered so many questions and she used "exact words and verses from the KJV". I actually purchased more of these and have given them to my friends. After going through this the 1st time and just reading straight through, now I'm going through it again and using it as Bible study and answering questions

etc.

Just got it today 20 Jul 17. Looks like a very comprehensive study.

an excellent resource book and one to 'just read' by itself!

This comprehensive guide creates thought provoking and disciplined study. There is a wealth of information on the formation and organization of the Bible. If you are looking for a guide that will enable you to search and study the Scriptures, this is a great place to start. Also available in NIV.

Timeless classic for anyone serious about truly learning what the Bible is all about.

Perfect book for great translation of THE WORD!!!!!!

Good book
