An excellent coffee table addition for any chic lady in your life! I purchased this book for my sister and browsed through it before I wrapped it. I immediately bought a copy for myself. Great pictures, high quality pages. If you love fashion, colorful photography, and celebrities you will love this book. Keep in mind they are not all "Hollywood" celebrities but I rather enjoy that aspect- getting to see bloggers and writers and other artist showcased was actually a breath of fresh air.

So many beautiful photos and inspiration in one place. I LOVE this book.

Very cute, I like coffee table books for reading and for decor.. This one is sure to be a favorite.
